

Addendum No. 1 – September 21, 2026

RFP for Software and Implementation Services for Computer Aided Dispatch (CAD) and Records Management System (RMS) Including Jail Management and Property Evidence Software Systems Environment

Due Date and Time: Tuesday, October 20, 2026 by 4:00 pm PT

A Pre-Proposal Vendor Teleconference was held on September 17, 2026 at 11:00 am (PT). The Pre-Proposal Teleconference was facilitated by the SLPD and the SLPD's consulting partner, BerryDunn, and included participation by several SLPD staff. The Pre-Proposal Vendor Conference was held via teleconference.

Attendance at the Pre-Proposal Vendor Teleconference was **not** mandatory.

The following vendors identified themselves as being in attendance via phone:

Company	Representative
22 nd Century	Mash Sharma
22 nd Century	Christina Miller
22 nd Century	Saloni Saxena
Axon Enterprise	Jane Pearson
Digital Underbelly	Jennifer Hoyt
Hero Safety	Lini Herath
Hexagon/Octave	Andrew Sayko
Hexagon/Octave	Michael Koons
InService First to Respond	Gene Billingsley Jr.
Mach1 Services	Laura Narpaul
Mark43	Cody Gilks
Mark43	Chris Memmott
Mark43	Erich Dark
Mark43	Matt Fulwiler
McAllister Brown Associates	Jacque Brown
Motorola	Jamie Johnson
Pulsiam	Mahari Blanks
Pulsiam	George Richards
Pulsiam	Holly Blanks
Tyler Technologies	Amy Shultz
Tyler Technologies	Jodie Hisala
Versaterm	Chance Hill

Please find below questions received prior to and during the September 17, 2026, Pre-Proposal Teleconference and responses from the SLPD.

Table 02: RFP Schedule of Events

Event	Estimated Date
RFP Published	Thursday, September 10, 2027
Pre-Proposal Vendor Teleconference	Thursday, September 17, 2027
Deadline for Questions From Vendors	Friday, September 25, 2026 at 4:00 p.m. PT
Deadline for Respond to Questions	Friday, October 2, 2026 at 4:00 p.m. PT
Deadline for Registration to Bid	Friday, October 9, 2026 at 4:00 p.m. PT
Deadline for Proposal Submissions	Tuesday, October 20, 2026 at 4:00 p.m. PT
Shortlist Proposers notified	Week of December 7, 2026
Proposer Demonstrations	Weeks of January 11 – 29, 2027

Page 25 - Proposal Registration and Submission Requirements

Mandatory Registration

All Proposers intending to submit a proposal in response to this Request for Proposals (RFP) must complete the City's required registration process no later than 4:00 PM Pacific Time (PT) on Friday, **October 9, 2026**, which is **ten (10) calendar days** prior to the proposal submission deadline of **October 20, 2026** at 4:00 PM PT.

Failure to complete the mandatory registration process by 4:00 PM Pacific Time (PT) on **October 9, 2026** will result in the Proposer being ineligible to submit a proposal and may cause any subsequent submission to be rejected as non-responsive.

Section 2.6 Potential Phasing and Target Live Dates

The SLPD requests that offerors provide potential phase start and target go-live dates in proposal responses per Attachment A, Section 4. These dates should be estimates based on anticipated resource requirements and dependencies between functional areas. These dates are negotiable, but SLPD has identified that the RMS should be implemented first. SLPD anticipates beginning implementation activities in May 2027, with a potential RMS go-live in May 2028 and CAD and JMS go-live in November 2028. SLPD's fiscal year runs from July 1 through June 30. The vendor should propose an implementation and go-live schedule that aligns with SLPD's preferred sequence: RMS first, followed by CAD and JMS.

Questions:

1. Is the city more inclined to look at one system (enterprise), or if a vendor wants to submit to a single or various components of a system will this be looked at by the city and SLPD.

SLPD Response: The City has indicated they prefer an enterprise solution but will consider all submissions to determine the best option or options for meeting the needs of the City, SLPD, and the community.

2. The RFP indicates various user counts but did not provide specific user counts for the number of CAD workstations, and the number of dispatchers and dispatch supervisors.

SLPD Response: The SLPD has the ability to access CAD from 55 locations and will continue needing access at these various locations, however there are 10 CAD workstations located within Dispatch. SLPD is currently allocated 18 dispatch positions (which includes supervisor positions. Workstations -

Dispatchers 10, Records and Traffic 10, Lieutenants 3, Command Staff 5, PST 5, Report Writing 5, Crime Analyst 2.

2a. What is the number of dispatchers and supervisors during the busiest times.

SLPD Response: Currently, during the busiest times there are six dispatchers and 4 supervisors on.

3. Can you provide the anticipated go-live dates

SLPD Response: The go-live dates have been adjusted in this addendum and are as follows: The SLPD anticipates that implementation activities would begin in May 2027. The SLPD would like to target May 2028 as a potential go-live date for RMS, November 2028 as a go-live date for CAD and JMS.

4. From the RFP it appears the SLPD is looking for an out of the box solution, and not a customized solution. If the vendor does not offer some component or area of the system, is SLPD looking for that to be a customized solution, or can a third-party solution be proposed.

SLPD Response: If a vendor does not currently have capability to meet any part of the requirements, they may propose either a third-party solution, customized solution, or combination thereof. If a third-party solution is proposed, the third-party vendor must answer and complete those sections and questions as outlined in Section 2.2 Alternate Proposals, Partnerships and Proposers of Subsets of Functionality of the RFP.

5. In Attachment B, reference the JMS response worksheet, will a new attachment B be released as the vendor stated they noticed that 131 questions included in the Overview worksheet under JMS Core are missing from the JMS Response worksheet. Please see the attached screenshots for additional context.

SLPD Response: All items listed in the JMS CORE tab are considered to be standard core functionality in a modern public safety system. The 131 items that the vendor has identified should be addressed as Core functionality for the purpose of their response and follow the guidance in the instructions.

The SLPD will not be releasing a new attachment B. If a vendor believes that items listed in the Core Tab are not core items, they may address in their response an exception and how they intended to address these item(s).

Q6. We currently have numerous other RFPs that landed at the same time. We formally request a 3-week extension to be able to respond.

SLPD Response: The deadline for proposal submissions is Tuesday, October 20, 2026 at 4:00 p.m. PT.

Respondents are instructed to return a copy of this addendum form signed by an authorized firm agent as part of proposal responses.
