An issue was identified with completing one of the attachments - Attachment D - CoSL IT Security Questionnaire. That issue has been addressed, and the new form has been updated and posted on the City's website as part of Addendum #2. .

1. Section: Section 7 - Data Conversion Plan (Attachment A), Pages 29-33 Referenced Requirement: "Proposers shall provide a narrative detail for one or more of the following tiered approaches. Proposers may also propose hybrid or combined approaches that draw from multiple tiers." Question: How many data sources would you like to migrate data from?

City Response: Refer to Attachment B, Tab 7 for all data conversion information.

2. Section: Section 7 - Data Conversion Plan (Attachment A), Pages 29-33 Referenced Requirement: "Proposers shall provide a narrative detail for one or more of the following tiered approaches. Proposers may also propose hybrid or combined approaches that draw from multiple tiers." Question: Can you adhere to these data formats?

Microsoft SQL Server

MySQL

Oracle

CSV / flat files

City Response: The City is open to reviewing proposing vendors' best practices for data conversion formats; the City reserves the right to determine if the format is appropriate for the City resources at the time of contract negotiation.

3. Section: Section 7 - Data Conversion Plan (Attachment A), Pages 29-33 Referenced Requirement: "Proposers shall provide a narrative detail for one or more of the following tiered approaches. Proposers may also propose hybrid or combined approaches that draw from multiple tiers." Question: What systems are currently in use for each data source, including RMS and evidence management?

City Response: Refer to Attachment B, Tab 7 for all data conversion information.

4. Octave respectfully requests a 2-week extension to the current due date of the City of San Leandro, CA RFP for Computer-Aided Dispatch (CAD) and Records Management System (RMS). Due to the size and complexity of the RFP, additional time would allow our team to develop a comprehensive response that fully addresses the City's needs.

City Response: The due date for proposal submissions has been changed to Tuesday, October 27, 2026.

5. How many CAD dispatchers does the City have?

City Response: 14 FTE Public Safety Dispatcher and 2 FTE Dispatch Supervisor

This applies to all training questions: The City will implement Train the trainer methodology. The vendor would not be responsible for training all of our users.

6. How many users need to be trained on CAD?

City Response: 8

7. How many agency trainers need to be trained on the Mobile application?

City Response: 4

8. How many users need to be trained on the RMS application?

City Response: 3

9. How many investigators does SLPD have?

City Response: 16

10. How many property and evidence clerks does the SLPD have?

City Response: 4

11. How many total mobile units does the SLPD have?

City Response: 40

12. How many of the mobile units are law enforcement? How many are fire?

City Response: SLPD is Law Enforcement only and no Fire personnel.

13. Section “VII. SLPD Required Forms” – Refers to a CJIS Security Addendum to be signed and attached as an exhibit. There is no CJIS Security Addendum in the bid packet. How does the City want vendors to proceed with this?

City Response: See the posted CJIS Security Addendum sample. Vendor should be prepared to execute the CJIS Security Addendum if selected for demos or further engagement with SLPD.

14. For the multiple CRIMS interface entries (INT.3, INT.4, INT.13), please clarify whether these represent one integration with several transactions or separate interfaces for case export, citation export, DA access, court viewing, and criminal justice workflows.

City Response: The City is open to reviewing responding vendors’ best practices for these integrations.

15. For LexisNexis/Accurint (INT.19), what data is expected to be imported into the RMS?

City Response: The City is open to reviewing responding vendors’ best practices for these integrations.

16. For the following interfaces please clarify the expected functionality of the interface, what data is included and is the interface an import, export or bidirectional.

Int.45 CA Highway Patrol

Int.66 Parking System Server

Int.68 Spider Tech

Int.73 ProPhoenix e-Citation

City Response: The City is open to reviewing responding vendors’ best practices for these integrations.

17. For an RMS-focused partnered proposal, will the City provide usable exports and interface documentation from both the legacy RMS and MDT environment, or must the selected team negotiate and fund extraction with incumbent vendors?

City Response: The City is open to reviewing responding vendors’ best practices for these integrations.

18. Could an addendum reconcile the schedule’s October 29 responses-to-questions date with the October 13 proposal deadline, and confirm the registration and question cutoffs?

City Response: This was corrected with Addendum 1 published on September 22, 2026. Questions were due September 25, 2026.

19. Attachment A, Section 13 (Exceptions to Project Scope and Contract Terms), and RFP Body, Sections 3.6–3.7 (Contract Negotiation): Section 13 permits Proposers to identify exceptions to the RFP’s scope, terms, and conditions with their Proposal, and Sections 3.6–3.7 describe a Contract Negotiation phase conducted with the top-ranked Proposer following evaluation. Can the City confirm whether exceptions identified under Section 13 will be substantively discussed and negotiated during that Contract Negotiation phase, rather than being resolved unilaterally under the City’s reservation of the right to disallow exceptions stated in Section 13?

City Response: The City reserves the right to conduct contract negotiations in accordance with City negotiation procedures.

20. Can the City please provide the system type for Cellhawk?

City Response: Per the Vendor Virtual Conference held on September 17 and Addendum 1 issued on September 22, 2026, all questions were due by 4:00 PM on September 25, 2026. This inquiry was received on September 28, 2026 at 6:21 AM.

21. Can the City please provide the system type for Crimetracer?
